Tradition and Innovation

A light, fragrant, highly digestible and tasty pizza.

Our pizza chefs, a mix of traditional and innovative masters, have improved the recipe of traditional Neapolitan pizza and integrated the most **modern methods for the dough preparation.**

In our pizzeria there's a **dehumidified Leavening Room, where our dough rises for 20/22 hours.** After this time the other ingredients are added to complete the dough. The timers, that you may have noticed, are used to show the rising time of the different doughs.

After 30 hours our dough is finally ready!
